

Printable ruler — US Letter

Print at 100% / "Actual size". Turn off "Fit to page" and "Shrink oversized pages".

Check the scale before you measure

A bank card (85.60 × 53.98 mm) should fit this outline exactly.

This line should measure exactly 10 cm.

This line should measure exactly 4 in.

Cut along the dashed lines. Glue to card stock for a stiffer ruler.
